

Commercial/Industrial Permit Membership Application

Thank you for becoming a Founding Member of the WEF SWI!

The SWI includes a Commercial/Industrial Permit Membership category. Founding Members (those who join in the first year) of the SWI may use this designation with pride to show your support and leadership in the stormwater field; and will be identified as such in WEF/SWI publications. Annual rates for Commercial/Industrial Permit Members are based on annual revenue and will be billed according to your anniversary date. Each SWI Commercial/Industrial Permit Member should identify one (1) Primary Contact and one (1) Alternate Contact who will be the recipients of information from the SWI, invitations to SWI events, and your conduit to the SWI. If either of the contacts change please notify the SWI. Additionally, we encourage you to fill out the SWI Commercial/Industrial Permit Member Demographic Information section so that we may better plan and serve you – our SWI Founding Members!
