

# Non-Governmental Membership Application

## Thank you for becoming a Founding Member of the WEF SWI!

Non-Governmental (NGOs) Members include non-profit organizations such as policy, outreach, research, training, and environmental organizations; professional and trade associations; as well as colleges and university's engineering and environmental studies, or other departments, teaching, conducting research, or interested in stormwater related issues. Founding Members (those who join in the first year) of the SWI may use this designation with pride to show your support and leadership in the stormwater field; and will be identified as such in WEF/SWI publications. Annual rates for Non-Governmental Organizations are based on annual budgets and will be billed according to your anniversary date. Each Non-Governmental Member should identify one (1) Primary Contact and one (1) Alternate Contact who will be the recipients of information from the SWI, invitations to SWI events, and your conduit to the SWI. If either of the contacts change, please notify the SWI. Additionally we encourage you to fill out the Non-Governmental Member Demographic Information section so that we may better plan and serve you – our SWI Founding Members!
