

# Non-Governmental Subscriber Form

## Thank you for becoming a Subscriber of the WEF SWI!

Non-Governmental (NGO) Subscribers include non-profit organizations such as policy, outreach, research, training, and environmental organizations; professional and trade associations; as well as colleges and university's engineering and environmental studies, or other departments, teaching, conducting research, or interested in stormwater related issues. In addition to other benefits, SWI Subscribers are regularly listed and thanked on our website and in WEF/SWI publications. Annual rates for Non-Governmental Organizations are based on annual budgets and will be billed according to your anniversary date. Each Non-Governmental Subscriber is allotted one (1) Primary Contact and one (1) Alternate Contact who will be the recipients of information from the SWI, invitations to SWI events, and your conduit to the SWI. For larger organizations, we offer the ability to identify additional contacts, which may be listed on the back of this form. If any of your contacts change, please notify the SWI. Additionally, we encourage you to fill out the Demographic Information section so that we may better plan and serve you – our SWI Subscribers!
